

**Hold On**

hold on  
soon  
we will be  
more  
accessible  
we are  
in between  
a small town  
and a city  
we are between  
a rock and the highway  
between urban and subur-  
ban  
we are in the midst  
of a blessing and a curse  
we're on the way from  
here to there  
in the midst of nature  
and concrete  
hold on  
soon
