## **that guy**

*©2016 Judith Sloan*

i've become 'that guy'  
you know, that guy  
everyone asks for help

when i moved here  
i was a stranger  
the outsider  
looking in

one day  
on my way to get milk and eggs  
i reached out  
an open hand

that was ten years ago  
no longer a stranger  
i look out for neighbors  
i've become that guy
