Get Started

Everything is more fun when you share it with a friend, and that includes riding the bus. Grab a friend and ride the Bee-Line Bus to get to some of Westchester's top destinations for shopping, eating and more.

As a senior, you already are eligible for a fare discount, and now you can also get a reduced price at a growing list of local attractions and restaurants.

The Bee-Line Bus gives you independence. And with more than 3,300 bus stops and 60 routes, you are never too far away from getting to where you need to go.

Allow us to help plan your trip

When planning a trip on the Bee-Line, help is just a phone call away. Call the Bee-Line Information Center at (914) 813-7777 and let an Information Agent help you plan your bus trip. A live agent is available Monday through Friday

8 a.m. to 4 p.m. to answer all your questions.

Remember, some destinations are more accessible by bus than others, so it's always important to research your trip prior to travel. Bee-Line agents can provide bus route information, the location of the closest bus stops, and the schedule times needed to complete your trip.
