SMALL FORMAT OFFICE SUITES BY **SRG2 PARTNERS LLC**

By **SRG2 PARTNERS LLC**

Welcome to Micro@202, where innovation meets convenience in the heart of downtown White Plains. Featuring turn-key office suites crafted for small-format users with big ideas, and offering a refreshing alternative to traditional office space.

Forget the hassle of large floorplates, expensive build-out costs, and cumbersome leases. We've taken the best of both worlds: the smaller office floor size and flexibility of co-working spaces and combined it with the privacy of individual offices and upscale amenities that one usually only finds in a larger office building. Our pre-built suites are ready for immediate occupancy, allowing you to move in and get to work right away.

Our approach to creating a personalized office solution

This isn't coworking, and it's not just another office space. It's a tailored solution designed around the needs of today's agile businesses. Enjoy the freedom to concentrate on your work in a vibrant, dynamic setting without the constraints of conventional office setups.

Features That Matter Most

- ▶ Building improvements include recently renovated and modernized common areas, updated elevators and floor lobbies, secured 24/7 building access with digital entry system, and a digital directory.
- ▶ Micro-suite common areas include a shared lobby lounge and conference room, kitchen pantry area with vending machines, and newly renovated restrooms.
- ▶ Individual office suites feature tenant-controlled access, operable windows and independently controlled thermostats.
- ▶ A variety of suites are available to comfortably fit everything from single tenant offices to larger multi-user workspace layouts.
- ▶ Customizable office space is available with up to a floor of availability to accommodate future expansion.

Join The Unprecedented Growth of White Plains

NEW RESIDENTIAL

The Mitchell: A newly opened luxury apartment building featuring upscale units, amenities like a rooftop terrace, and proximity to downtown attractions.

Hamilton Crossing: A new development offering modern apartments with a focus on state-of-the-art community features including spa services, gaming lounge, and golf simulator.

Mixed-Use Developments: Projects like the Ridgeway Country Club Apartments that combine luxury residential living with retail and office spaces, and in a few years' time, one of the most anticipated new mixed-use developments in the tri-state region: District Galleria.

RETAIL EXPANSION

Downtown White Plains is already home to The Westchester Mall, a premier shopping destination with high-end retailers such as Gucci, Louis Vuitton, and Apple, as well as City Center, home to Barnes and Noble, Target and Nordstrom Rack. As mixed-use residential development continues at it's hot pace in White Plains, more experiential retail and services are just around the corner!

Several gyms, convenient medical offices, and beauty businesses ranging from Orange Theory, the Opus Spa, Farida Studios and the DryBar are located downtown, making self-care during the lunch hour or after work easy.

AWARD-WINNING DOWNTOWN

The City of White Plains is the latest recipient of the NY State's Downtown Revitalization Award!

Metro-North Improvements: Upgrades to the White Plains Metro-North station, including enhanced facilities and increased service frequency.

Pedestrian Enhancements: New pedestrian plazas and improved crosswalks along key streets like Main Street and Martine Avenue.

Green Spaces: Creation of new parks and green areas, such as the recently expanded Liberty Park, to provide recreational opportunities and improve urban aesthetics.
