

COMMUNITY SUPPORT

For an urgent or emergency situation, please call the White Plains Police.

(914) 422 - 6111

Lifting Up Westchester's mission is to provide life-changing support to people who have lost their housing or are struggling to meet other basic needs. We partner with those we serve to build a more secure future for themselves and their families.

If you see someone who appears to be unhoused, please call or text Victor Ortiz at (914) 615-1589. It would be helpful to share: location seen, time of day seen, general description of the individual.

- If you contact us before 3:00 PM, we will seek out the person that day;
- If you contact us after 3:00 PM, we will search the following business day.
- Within 72 hours, we will let you know if we made contact.

While we cannot mandate anyone to visit Community Central or enter a shelter, we will make regular contact, work to build trust, and engage them in our services. We will also collaborate with the police and other human service agencies to assist the individual.

To support someone who is looking for food or shelter, please direct them to our services in downtown White Plains.
